bible bingo questions and answers: The Answers James Smith, 2019-07-15 The Answers All of Them and No B.S. sounds like a pretty pompous statement, but when you consider it, this book proves that the Bible is the only perfect written composition, consisting of sixty-six books, written by many different men inspired by God, over a period of thousands of years. That proves God is real, using mathematics and fulfilled prophecy; that He is the One Who created heaven and earth; and that there is no such thing as the big bang, which science keeps on trying to sell to everybody (it may be something of an understatement). Not many books offer true, life-changing information as does this one. Open your mind and heart and allow the Lord God Almighty to reveal Himself to you. Become a new person by the power of the blood of Jesus. Go ahead. Open the book. Read it. You'll be glad you did.

This isn't the place to come for pat answers that will make their kids nod, smile, and disconnect. bible bingo questions and answers: Studies in Bible and Feminist Criticism (JPS Scholar of Distinction Series) Tikva Frymer-Kensky, 2010-01-01 Each of the 30 essays here delves into a topic that gives us much food for thought: the Bible as interpreted through ancient Near-Eastern creation myths, flood myths, and goddess myths; gender in the Bible; the feminist approach to Jewish law; comparative Jewish and Christian perspectives on the Hebrew Bible; biblical perspectives on ecology; creating a theology of healing; feminine God-talk. The volume concludes with the author's own original prayers in the form of poetic meditations on pregnancy and birthing. This book is unique, not only because it is the only volume in the JPS Scholar of Distinction series written by a woman, but also because Frymer-Kensky's personal and forthright voice resonates so clearly throughout each piece. bible bingo questions and answers: Remembrances of Our Family's Extraordinary Journeys Maria E. Faith, 2021-08-11 This is an autobiographical account of my childhood journeys with my parents, 4 older sisters and 2 older brothers. My parents immigrated to America in the first quarter of the 1900s with their families; they met and were married in Arizona and 3 sisters and 1 brother were born there, and I and 1 brother and 1 sister were born in California. A large part of the book deals with the struggles of looking for work in various regions in these two states, and the resulting uprooting of family to go and temporarily live where work was found. There were many sacrifices made to keep family together. The other part of the book reveals the personal struggles I had because of moving to Maneadero, BC, Mexico in 1958 with my mother and attending the local Village School. Struggles? Yes, but soon overcome by the loving friendships developed with the Villagers, Shopkeepers, Teachers and Students. Fun was had, but there were a few God-sent events that became life-changing experiences for me.
