Encouraging Bible Verses for Confidence and Courage

When facing a big test, confidence and courage are essential to perform well and maintain composure. The Bible contains verses that encourage believers to rely on God's strength rather than their own, fostering a mindset of bravery and assurance. These scriptures remind students that they are not alone and that divine support empowers them to overcome fear and doubt.

Key Verses to Build Confidence

Several verses stand out as sources of encouragement for anyone preparing for a significant exam. For example, Isaiah 41:10 reassures that God is with His followers, providing strength and help in times of need. Similarly, Joshua 1:9 commands courage and trust in God's presence, which can be a powerful motivator before and during a test.

- **Isaiah 41:10:** “So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand.”
- **Joshua 1:9:** “Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the Lord your God

bible verses for a big test: 100 Bible Verses Everyone Should Know by Heart Robert J. Morgan, 2010-10-01 Change your life from Genesis 1:1 to Revelation 22:20. With the immediacy of Internet searches and ease of handheld devices, the custom of memorizing Scripture may not seem necessary, but best-selling author Robert J. Morgan makes an airtight case for reviving this rewarding practice in 100 Bible Verses Everyone Should Know by Heart. It's vital for mental and emotional health and for spiritual well-being, he writes. It's as powerful as acorns dropping into furrows in the forest. It allows God's words to sink into your brain and permeate your subconscious thoughts. It saturates the personality, satiates the soul, and stockpiles the mind. It changes the atmosphere of every family and alters the weather forecast of every day. In a series of brief opening chapters, Morgan prepares us for this new old way of thinking and then presents his experienced list of 100 crucial verses, providing sidebar notes, quotes, and memorization tips for each. Extra pages are included to add your favorite verses, extending this life-changing exercise and memorization habit. Rob Morgan never disappoints me. His books do what a good book should do: make you think about life from a new and fresh perspective. David Jeremiah, New York Times best-selling author

bible verses for a big test: Show Me Your Face, Lord Sally Silvershoes, 2018-04-19 Sally Silvershoes had been asking God to reveal more of himself and was led to discover that this only happens through prayer, God's grace, and most often, during wilderness experiences. She traces the development of her prayer life, starting with childhood prayer while growing up in Africa, to praying scripture while living in Canada, and then onto spontaneously individual prayer somewhere between Canada and Australia. The prayer journey culminates in silent, contemplative prayer as kookaburras break the early morning silences on Australia's east coast. Sally's adventures in prayer took place amid stretching family circumstances, during short-term mission trips, when serving on mission boards, while teaching English to migrants, and sometimes, when just sitting doing nothing at all.

bible verses for a big test: Dwell or Rebel James A. La Marco, 2009-11-24 This Book is Guaranteed to take you on an exhilarating ride from the Creation of time to the events of today, right up until the End Of Days. Start out learning about the Spiritual Forces of Good and Evil behind the scenes of our Physical World: Realms that you can't see, smell, taste, or touch. Then learn the real facts of Truth about Creationism vs. Evolution and then decide for yourself if the Universe was created by an intelligent designer or if it all happened by random chance over billions of years. Learn about the most sophisticated code that was found in the Bible many years ago by Sir Isaac Newton, which has now been proven due to today's advanced computer systems. This Bible Code has embedded in it the past, the present, and the future. However, the most advanced computer systems of our time can only scratch the surface of it, causing all of the Superpowers of Planet Earth in desperate need to be the first to decode it, decipher it, and utilize it to set in motion their Evil Schemes of World Domination! You will also be Awakened by learning about the Global Elitists who secretly rule and control the US Government and most of the entire World. They have literally created a Real Life Matrix, a "false sense of security"-type World that they pulled over our eyes. Their plan has been in effect for Centuries, but they really started the process in 1913 when the Federal Reserve, a Private Corporation of International Bankers, took over America's monetary system. Learn the truth about how the Global Elite are behind the JFK assassination; the illegality of the IRS and a Federal Income Tax via the US Constitution and Bill Of Rights; the 9/11 terrorist attack; the Chemtrails Aerosol Spraying of our skies; the North American Union; poison in our air, food, and water; etc.! Their Ultimate goal is to depopulate the World by 50 -80 percent and to control every single person left on earth via an RFID microchip! This Book will also provide you with a true self-examination test that will let you know where you stand in all of

this and where you are heading in your afterlife. So if you were to clear your mind of all the brainwashing and Mind Control that's been programming you your entire life, it will most likely be the best return on investment you ever saw. In just the short time it will take you to read this entire book—although you'll have to be open-minded and honest with yourself—I Guarantee you will have a Dramatic, life-changing experience to one extreme or the other. You'll absolutely have a much more knowledgeable and fulfilling life, that's for sure! Reading this Book is just like taking the "Red Pill" in the movie The Matrix! If you are reading this description and pondering on whether you should read this book, even if you are the worst and most addicted gambler around, I urge you not to gamble with the most important decision you will have to make in life. Have you ever been wrong or been deceived in your entire life? Even if you lived to be ninety plus years old—compared to an eternity, life here on earth is like five seconds you can see tick away on your watch. After you learn about all the scientific facts and find out about your Real Life, you truly will be Awakened by this explicit self-examination book. Finally, without any influence or excuses, you'll be able to voluntarily choose Where You Spend Eternity. Inevitably, before the end, we all have to choose for ourselves whether to Dwell or Rebel!

bible verses for a big test: You Can Call Me Ryan David Campion, 2009-08-28 You can call me Ryan is book one of a seven part series called the Unity of the Faith series. Unity of the Faith is a concept laid out by the Apostle Paul in Ephesians chapter 4. This book follows Ryan, a 38-year-old bakery chain owner, who is brought back to God by a series of hard to ignore events. God calls Ryan to be a modern day prophet and member of the foretold 144,000 army of God as prophesied in the Book of Revelation. God helps Ryan fix the things that ail him in his life that Ryan didn't even understand were holding him back. Ryan tries to emulate the Apostle Paul but discovers he is something altogether different and God gives Ryan the opportunity to lead a modern day Pentecost as the Apocalypse begins. David Campion describes himself as a very common man. Writing has always been somewhat of a hobby for him and he says that he never saw himself as an author. Instead he always thought more of himself as a father, husband and friend first. He describes himself as privately spiritual but discovered a love of writing as an outlet for expressing his faith in God. David's first professional writing experience came as a member of the United States Army as a broadcast and print journalist. He has permanent veteran status and is extremely proud of his service to his country. David says his motives for writing, are from a deep felt empathy for his fellow Christians and country. That his deepest desires are to see Christians put aside what separates them and join together in their common love of Christ and to therefore be able to return his country to being a true Christian nation.

bible verses for a big test: Convinced? C. J. Rysen, Dan Manternach, 2021-10-20 What is

the complete essence of this book? The Cosmic Harmony of Science, Scripture, and Reason. Can it be indubitably proven that God absolutely exists? Can it really be shown how science actually confirms creation by God? Given that some say not even God can create something out of nothing, exactly how did God create everything in the universe? Just how can the Holy Bible be reliable and the divine Word of God when it is challenged with so much controversy? Can it be irrefutably verified that Jesus was for real, really rose from the dead, and is the Son of God? Did the Great Flood of Noah and his Ark really happen? How? Everybody wants to see proof. Atheists and skeptics often demand it. A total of twenty-one of the most often asked and difficult questions challenging Christianity are answered by coauthors C. J. Rysen, (author of the Christian apocalyptic thriller, a novel, *In the Course of Three Hours* (www.inthecourseofthreehours.com)), and Dan Manternach, a public speaker and leader in the Christian Group, Ministry to Men (www.ministrytomen.net). Both men have collaborated to provide irrefutable answers and explanations in a simple, easy-to-understand, straightforward way, providing new, unexpected, and intriguing perspectives to which you likely may have never given any thought. Many of these will be surprising and often startling to anyone--whether skeptic, agnostic, or atheist. The book is also intended to be a reference source for the layperson, as well as those with formal theological or philosophical education. Although this book is intended to address these questions for the benefit of the nonbeliever, it also is intended to prepare the believer to help answer such questions and solidify their faith. If one is intellectually honest with oneself, the explanations in this book should be overwhelmingly compelling and absolutely convincing. If they are not, one must ask the question, Why?

bible verses for a big test: Treasures from an Old Book Lorin Bradbury Ph.D., 2020-08-07 The book of Proverbs is power packed with wisdom that will guide God's people in daily living and is widely recognized as a source of sound, practical wisdom. It's a rich fountain of profound but simple insight. In Volume 1 of *Treasures from an Old Book*, author Lorin Bradbury, Ph.D. addresses every verse of the first nine chapters of the book of Proverbs in a series of fifty-one unique lessons. He draws upon more than forty years of pastoral experience, making practical applications throughout each lesson to encourage the Christian needing a word of inspiration and to provide insight and application for a busy pastor teaching on these timeless truths. Ranging from establishing a sure foundation on the word of God, to fear of the Lord, to parental instruction, to warnings against enticement from the world, Bradbury shows that a study in Proverbs has the potential to improve how you relate to your children, spouse, neighbors, and coworkers, and most importantly, how you relate to God. Lorin Bradbury, Ph.D. is both a pastor and a psychologist and draws upon both disciplines in communicating scriptural truths. Lorin Bradbury is very intelligent and highly educated. Coupled with his intelligence is his solid, practical understanding and perception. In this book, he has succeeded in unpacking the treasures of wisdom found in "Proverbs" and displayed them so that each of us have access to godly wisdom in our daily lives. —Terry Pugh, Pastor Odessa, TX Wisdom has been defined as, "knowing what to do next." The wisdom of God is found in the book of Proverbs. In these pages, Dr. Bradbury does an exceptional job of making the insight of Proverbs relevant for today. This is an incredible resource for any pastor or Bible teacher. You will never be any better than your resource. The material in this book is well researched and exceptional in the presentation. —Carlton Coon, Pastor & Author Springfield, MO

bible verses for a big test: Der Kleine Lump John F. Paugstat, 2023-01-31 *Der Kliene Lump* contains a series of true anecdotes about the winsome ways of a boy who experienced rare freedoms and extravagances in a harsh era defined by The Great Depression and World War II. The boy's family of seven was unique in heritage, faith, lifestyle, character, and appearance. Less than an acre of land, a primitive house, an outhouse, and five dinky buildings, which sheltered a menagerie of animals, defined their habitat. His mother wore a prayer covering and plain dress that belied her fiery temperament. She referred to her son as

Der Kleine Lump (The Little Rascal; at times, The Scoundrel). When the author, John Paugstat, viewed the anecdotes as a composite picture, he saw a boy who, when nurtured by faith, family, and society, rose above the Woes of Poverty and enjoyed the Wows of Privilege and Adventure. The author would like to have been that boy, and so he was--resulting in anecdotes true to the limits of his memory. John Paugstat has degrees from the Universities of California and Cincinnati. He wrote articles on various subjects; he taught and spoke at conventions, corporate, and church-related functions. He has five patents, two published books, and three in development.

bible verses for a big test: *Reaching God Speed* Joe Kovacs, 2022-01-25 The answer is surprising, and what we're about to learn will wake us up to a reality most of us never knew existed. The reason we're so oblivious is because we've all been operating at human speed, relying on our own physical power and our five senses. But there is something extremely important we've all been missing. It holds the key to everything good—the key to life, success, happiness, peace of mind, and understanding beyond our wildest imagination. It's perhaps the best-kept secret in the history of mankind and it packs a staggering, invigorating message that can change your life for the better—improving understanding, eliminating anxiety, and helping to extend your living years indefinitely. All we have to do is open our eyes and ears. We're all inundated with this secret at all times. It's present in our favorite songs and movies, the stories we tell our children, and even in every commercial campaign! The secret is broadcast in famous news stories including the coronavirus pandemic, the sinking of the Titanic, or the collapse of the World Trade Center on 9/11. It's in ordinary life activities such as breathing, sleeping, waking up, traveling, sex, and getting married and changing one's name. Now, bestselling author and award-winning journalist Joe Kovacs reveals the solution—cracking the divine code that shifts our minds from operating at slow, human speed and making the jump to the incredibly quick “God speed.” Hundreds of ancient mysteries and prophecies are instantly unsealed as the master key that unlocks the mystery of everything is now in your hands.

bible verses for a big test: *Origin on Trial* Christopher H. A. Ting, 2023-01-27 Do you know about the dark secrets in big evolution concerning the origin of the universe? Do you know that the Bible sets God's signature on his creation in the beginning? Not all fields of science are created equal. Some deal with past history rather than the present. Einstein's theory of gravity as curved spacetime is observable science. But some scientists use it with particle physics to tell a story of the origin of the universe. But can anyone see the moment of the Big Bang? Scientists themselves say the Big Bang model has big problems. The data they use to support their best model about the origin of the universe can also be used to undermine it. They started with A to build the model, but their data don't agree with A. Is there something fundamentally wrong? Great scientists make mistakes in science too. Hawking and others have made profound statements, but they don't always make sense. Big evolution has holes. It relies on deep time as god of the gap. Modern science began with Christians like Kepler and Galileo. They believed biblical creation had happened. It's time to bring science back to its genesis and the origin back to church.
