Knowing the exact timing of the speech is crucial for viewers planning to watch live coverage and for those tracking the unfolding political and social impact. This article provides comprehensive details about when Biden's speech is scheduled, the platforms broadcasting it, and the context surrounding the address. Furthermore, it explores the significance of the speech in terms of policy and public response, offering insights into what audiences can expect. For anyone interested in current U.S. political discourse, understanding biden's speech tonight time is essential. The following sections will cover the schedule, content expectations, broadcast information, and analysis of the speech's importance.

- Schedule and Exact Timing of Biden's Speech Tonight
- Broadcast Channels and Streaming Platforms
- Key Topics Expected in Biden's Speech
- Political and Public Significance of the Address
- How to Prepare for Watching Biden's Speech Tonight

Schedule and Exact Timing of Biden's Speech Tonight

Understanding biden's speech tonight time requires precise information on when the event will occur. Typically, presidential speeches are scheduled during prime time to maximize viewership and impact. For tonight, the official announcement places the speech at 9:00 PM Eastern Time (ET). This timing allows the address to reach the majority of the U.S. population during hours when television and online viewership peak.

It is important to note that the timing may slightly vary depending on the president's arrival at the podium and any preliminary remarks or introductions. However, the 9:00 PM ET slot is the widely accepted official start time.

Time Zone Considerations

For viewers outside the Eastern Time Zone, adjusting the time is necessary to ensure they do not miss biden's speech tonight time. Below are the corresponding times across major U.S. time zones:

- Eastern Time (ET): 9:00 PM
- Central Time (CT): 8:00 PM
- Mountain Time (MT): 7:00 PM

- Pacific Time (PT): 6:00 PM
- Alaska Time (AKT): 5:00 PM
- Hawaii-Aleutian Time (HAT): 3:00 PM

International audiences should convert these times based on their respective time zones to tune in live or watch shortly after.

Broadcast Channels and Streaming Platforms

To catch Biden's speech tonight live, several major broadcast channels and digital platforms will provide coverage. Traditional television networks and online streaming services are both options, catering to diverse viewing preferences.

Television Networks

Major networks including ABC, CBS, NBC, and CNN will air the speech live. These networks typically provide pre-speech analysis and post-speech discussions, offering viewers comprehensive coverage. Public broadcasting services may also cover the event.

Online Streaming Platforms

Digital streaming platforms have become increasingly important for live political events. Platforms such as YouTube, Facebook Live, and official White House social media channels will stream the speech in real time. Additionally, news websites will embed live streams and provide live blogs to accompany the broadcast.

Mobile Accessibility

For viewers on the go, mobile apps from news organizations and official government sources will offer live access to Biden's speech tonight. Notifications and reminders can often be set within these apps to ensure viewers do not miss the event.

Key Topics Expected in Biden's Speech

Biden's speeches often cover critical national issues, legislative priorities, and international affairs. Based on recent political developments and official previews, several key topics are anticipated to be addressed in tonight's speech.

Economic Policies and Recovery Efforts

The president is expected to discuss ongoing economic recovery efforts, including job creation initiatives, inflation control measures, and support for small businesses. Updates on federal stimulus programs and infrastructure investments are likely to be highlighted.

Healthcare and Public Health

Given the continuing challenges posed by public health issues, healthcare policy and pandemic response strategies will likely feature prominently. This may include vaccine distribution updates, healthcare access improvements, and future preparedness plans.

Climate Change and Environmental Initiatives

Environmental sustainability and climate change mitigation efforts are key components of the administration's agenda. The speech might outline new goals or progress reports on reducing carbon emissions and investing in renewable energy.

Foreign Policy and National Security

Global diplomatic relations, defense strategies, and national security updates are regularly addressed in presidential speeches. Tonight's address may cover recent international developments, alliances, and security measures.

Political and Public Significance of the Address

The timing and content of Biden's speech tonight carry substantial political and public implications. Such addresses often serve to shape public opinion, rally support for legislative agendas, and clarify the administration's stance on pressing issues.

Impact on Legislative Agenda

The speech provides an opportunity for the president to outline policy priorities that may influence congressional action. It can help set the tone for upcoming negotiations and highlight areas requiring bipartisan cooperation.

Public Engagement and Media Coverage

Presidential speeches are pivotal in engaging the public and framing media narratives. The address will likely be dissected by analysts and commentators, with key excerpts featured in news cycles and social media discussions.

Historical Context

Presidential speeches have historically marked turning points or moments of national reflection. Tonight's speech will be assessed in relation to past addresses and current historical circumstances, contributing to its long-term significance.

How to Prepare for Watching Biden's Speech Tonight

For viewers intending to watch Biden's speech tonight, preparation can enhance the experience and understanding of the address.

Setting Reminders and Notifications

Utilizing digital calendars and mobile app alerts can ensure timely viewing. Many news organizations and official channels offer notification services related to the speech.

Choosing the Preferred Viewing Platform

Deciding between traditional TV broadcasts and online streaming depends on individual preferences and accessibility. Checking platform availability and connection stability ahead of time is advisable.

Reviewing Background Information

Reviewing recent news, policy updates, and official statements can provide context that aids comprehension of the speech's content and implications.

Engaging with Post-Speech Analysis

Following the speech, engaging with expert commentary and discussions can deepen understanding and keep viewers informed about subsequent developments.

biden s speech tonight time: The ^AObama Victory Kate Kenski, Bruce W. Hardy, Kathleen Hall Jamieson, 2010-07-14 In *The Obama Victory*, Kate Kenski, Bruce Hardy, and Kathleen Hall Jamieson draw upon the best voter data available, The National Annenberg Election Survey, as well as interviews with key advisors to each campaign, to illuminate how media, money, and messages shaped the 2008 election. Briskly written and filled with surprising insights, this book goes beyond opinion to offer the most authoritative account available of precisely how and why Obama won the presidency.

biden s speech tonight time: Endgame Eric Swalwell, 2020-06-16 From a Democratic congressman and member of the House intelligence committee, an insider's account of the impeachments of former president Donald Trump. How do you stop a rogue president? How do you protect a country from a man who lies, who obstructs justice, and who seeks to cheat with foreign powers to get reelected? Our constitution offers one remedy: impeachment. On December 18, 2019, President Donald J. Trump became just the third president in US history to be impeached by the House of Representatives. And then, on January 13, 2021, he became the first president to be impeached twice. In *Endgame*, Congressman Eric Swalwell offers his personal account of his path to office all the way to House impeachment manager, and how he and his colleagues resisted,

investigated, and impeached a corrupt president. Swalwell takes readers inside Congress and through the impeachment process, from Trump's disgraceful phone call with the Ukrainian president to depositions in the SCIF, and from caucus meetings and conversations with the Speaker to the bombshell public hearings and the historic vote, and then what followed—the 2020 election, the insurrection on January 6, 2021, the second impeachment and second trial. Endgame is fascinating, a gripping read by a unique witness to extraordinary events.

biden s speech tonight time: Legend of Trump Vol. 4 J.M.K. Walkow, 2023-04-17 "When will the Witch Hunt against a popular former President, who had no Wars, ever end? These are a few extra words about how we continue learning from Donald John Trump, the 45th and current president of the United States.

biden s speech tonight time: Historic Documents of 2024 Heather Kerrigan, 2025-09-26 Published annually since 1972, Historic Documents provides an unparalleled collection of primary sources that chronicle the most significant events of each year in the United States and around the world. Each edition features 60 to 70 original background narratives and more than 100 primary source documents—including official reports, speeches, legislation, court decisions, testimony, and more. Known for its exceptional editorial quality, the series offers expertly written context for each document, making primary source research accessible and meaningful. Organized chronologically, the volume covers key developments across a wide range of areas including politics, the economy, labor, international affairs, rights and justice, health, science, environment, and national security. A comprehensive introductory essay situates the year's events, while full-source citations, a detailed thematic table of contents, and cross-references to the past decade of volumes enhance usability for researchers, educators, and students alike.

biden s speech tonight time: My Grandmother's Son Johnny L. Thompson, 2024-04-04 Ever since he was a small child, Johnny L. Thompson strived to one day be famous and make his family proud. But growing up in 1950s America as a black man, that dream seemed impossible. In My Grandmother's Son, Johnny illustrates what America was truly like for a black man in the 50s—abiding by the Jim Crow laws and enduring prejudice and racism while generally being treated as less-than. Johnny also examines the politics of that era—and also of today—with observations on how America can be better. Despite his many obstacles, Johnny has had a wonderful life—a life that includes traveling the world with his daughter Angela and being able to appreciate the small things. Join him on his incredible journey. About the Author My hobbies are Travel and Photography. There is nothing in life more important than my family. They are foremost in my mind. I Worked in the Advertising field for 25 years. Retired from the U.S. Postal Service after serving 10 years at Radio City Post Office in New York City.

biden s speech tonight time: The Book of Joe Jeff Wilser, 2017-10-24 The ultimate guide to President Joe Biden, filled with all the fun, all the inspiration, and none of the malarkey. The aviators. The Amtrak. The bromance with Barack Obama. Few politicians are as iconic, or as beloved, as Joe Biden. Now, in The Book of Joe, Biden fans and political junkies alike have the ultimate look at America's 46th president. Covering the key chapters in Biden's life and career—and filled with classic Biden-isms, including "That's a bunch of malarkey" and "I may be Irish, but I'm not stupid"—this entertaining blend of biography, advice, and muscle cars explores the moments that forged Joe Biden, and what they can teach us today. But along with this "Wisdom of Joe," the book also reveals the inspirational story of a man whose life has been shaped by his father's advice: Get back up. Time after time, Biden has bounced back from both personal heartbreaks and professional disappointments, and just like Joe, sometimes we all have to dust ourselves off and fight back. Packed with lessons we need now more than ever, The Book of Joe is both a celebration of a revered political figure and a testament to the power of a life filled with integrity, perseverance, and plenty of ice cream.

biden s speech tonight time: The Obama Diaries Laura Ingraham, 2010-07-13 The Diary of President Barack Obama The White House May 19, 2010 I was going to write about tonight's state dinner for Mexico and the amnesty plan, but we've got a national crisis here! I think somebody's

been snooping in this diary! The pages are all wrinkled! And the most personal entries are dog-eared! WHAT THE HELL'S GOING ON HERE? (WASHINGTON, D.C.) On May 20, 2010, Laura Ingraham received a package from an anonymous source that will change the history of the United States and the legacy of President Barack Obama. While retrieving her automobile from the underground garage at the Watergate complex (where she had just enjoyed her weekly pedicure), Ingraham discovered a manila envelope on the hood of her car. When she picked it up, a deep baritone voice called out from a nearby stairwell: Just read it. You'll know what to do. The shadowy figure then disappeared into the darkness without another word. The envelope contained copies of what appeared to be diary entries written by President Barack Obama, his family, and high-ranking administration officials. Because the diaries are so revealing, Ingraham felt compelled to release them to the American public and the citizens of the world. Major media outlets love to describe the president as no drama Obama, but *The Obama Diaries* tells a different tale. Through these diary entries, readers will see past the carefully constructed Obama façade to the administration's true plans to remake America. In *The Obama Diaries*, Ingraham hilariously skewers the president and his minions. She takes aim at: •the cynical razzle-dazzle marketing of Obama's radical agenda •the use of the Obama brand and family to obscure Obama's true aims •Michelle Obama's gardening and anti-obesity initiative; and much more. Informative and hugely entertaining, *The Obama Diaries* will inspire both laughter and critical thinking about the future of the nation and the man currently at the helm. •the use of the Obama brand and family to obscure Obama's true aims •Michelle Obama's gardening and anti-obesity initiative; and much more. Informative and hugely entertaining, *The Obama Diaries* will inspire both laughter and critical thinking about the future of the nation and the man currently at the helm. Excerpts from Laura Ingraham's *The Obama Diaries* Obama on Sarah Palin: Hell, doesn't Palin have anything better to do than criticize me? Shouldn't she be back home shooting some endangered wolf species from a helicopter? (April 9, 2010) Michelle on being First Lady: I'll be damned if all this fabulosity is going to go to waste reading Dr. Seuss to snot-nosed kids all day. (January 23, 2009) Vice President Joe Biden on Michelle Obama: She's kind of like a black Hillary Clinton. I mean that in a good way. (May 5, 2009) Obama on his visit to the Vatican: If I can ingratiate myself with a few more of these red-hats, the pope thing might not be a bad follow-up to the presidency. (July 10, 2009)

biden s speech tonight time: *On the Origin of Spin* Brendan Bruce, 2013-06-29 This book was written to try and answer the question: 'where and when did political spin originate?' It deals with the techniques of news management developed and used in those advanced democracies who have laws to protect a free press. such as the United States of America, and to a lesser extent its first cousin, several times removed, the United Kingdom of Great Britain & Northern Ireland, or to be more precise, England, who in 1695 became the first country in the world to enshrine a free press into their constitutional law. This joint history of legal protections of press freedom; governmental toleration of free speech; progressive legislation to widen the franchise; vigorous growth in political parties; pluralism and its consequence, the peaceful coexistence of different interests, convictions and lifestyles; a healthy adherence to Burkean 'little platoons' of volunteers; and, most of all, sophisticated developments in mass media technologies and consumer marketing techniques; all of which means that the Anglo-Saxon cousins are, and have always been, in the vanguard of news management. Government and media have been at war from the very beginning. Au fond this is a struggle for allegiance. The media want the allegiance of their readers and viewers, because this brings them the profits they need to remain in business. As Patrick Le Lay, then CEO of the main French private channel TF1 put it: There are many ways to speak about TV, but in a business perspective, let's be realistic: TF1's job is to help Coca-Cola sell its product. What we sell to Coca-Cola is available human brain time. Government on the other hand wants the allegiance of the voter, to acquire or retain power. The famous Victorian editor of 'The Times', Thomas Barnes, once said that the newspaper is not an organ through which Government can influence people, but through which people can influence the Government. Politicians would reverse the dictum. And therein lies the *causus belli*. The politician's strategy for winning this war was stated most succinctly

by that arch media manipulator, David Lloyd George: what you can't square, you squash; and what you can't squash, you square. The media for their part, are determined to be neither squashed nor squared. From 1800 in the US and 1832 in Britain (when Germany and Italy were just a glint in the eye of some petty princes; and France was recovering from yet another pointless 'revolution' leaving behind yet another example of Kafka's bureaucratic slime); competitive, party based elections produced extraordinary outbursts of creativity. Politicians learned that the art of politics is about making and then winning arguments. As each successive cutting edge novelty arrived, the spin doctors quickly adapted and improved their techniques by adroitly exploiting the new medium's benefits. For two centuries (and even before) the 'Anglo-Saxons' have led the world in spin: this is the history of that journey.

biden s speech tonight time: *Congressional Record* United States. Congress, 2002

biden s speech tonight time: *The Sumter Gambit* Robert Spencer , 2023-01-25 What is the Sumter Gambit? It's the concerted effort by the Left to push the most extreme policies and ideologies into American public life, while simultaneously labeling any opposition to their overreach as treason. While this strategy has been developed for decades, only since the Trump years has it become their central organizing principle—and, indeed, the only governing strategy of the Democratic party. Critical Race Theory in schools, extreme gun control and abortion laws, Covid lockdowns and mandates—and all that is just the beginning. The purpose of it all is to push non-Leftist Americans into an impossible corner—where they are forced to choose between giving up their liberty and their most dearly-held principles; going to jail; or fighting back. When the last becomes the only choice, the Left plans to unleash the entire might of the Military-Industrial Complex to defeat and destroy any vestiges of dissent. They'll have to do it, they'll say, to protect us from an "insurrection." At that point, we will have the Civil War that they have wanted, and planned for, since at least the 1960s. The Sumter Gambit is a brisk primer on the primary differences between the two camps in America today, and the ways in which Americans can and must act now to preserve our nation. We must strengthen the country against its internal enemies who want to silence their opposition and impose upon us a radical Leftist ideology that is in the process of transforming America into a land no one would ever dream of calling the Land of the Free or the Home of the Brave. There is no doubt that America is suffering from grave crises today. Here the noted political analyst, Islam expert, and historian Robert Spencer shows just how severe those crises are—and points the way back from the brink of civil war to political, societal, and cultural sanity.

biden s speech tonight time: *The Joy of Politics* Amy Klobuchar, 2023-05-09 An intimate and revelatory memoir—on personal challenges, political turmoil, and the state of American democracy—from one of the most effective voices in politics, Amy Klobuchar. During the past few years, as our country has faced unprecedented challenges, Senator Klobuchar has been in the room where it happens—on the Senate floor for critical votes during the pandemic, at the debate podium during one of the most critical presidential elections in US history, and in the Capitol on January 6, 2021, when insurrectionists stormed the building, interrupting the certification of the electoral college. It was well past midnight when Klobuchar stood beside then-Vice President Pence to officially certify President Biden's victory. In her candid, honest, and at times bitingly funny memoir, the pragmatic senator shares insider stories from these historic moments, while also inviting readers into her personal life. An underdog in the 2020 Democratic presidential primary campaign, she built surprising early momentum—only to suspend her candidacy in order to support Joe Biden. Within weeks of returning to work in the Senate, the sudden onslaught of COVID-19 hit her family directly. Her husband got very sick and spent a week in the hospital on oxygen and a month in isolation. Klobuchar shares her experience facing a cancer diagnosis while watching her beloved father succumb to Alzheimer's. She recounts the dramatic narrative of January 6 and how close we came to losing our democracy. And, with her signature humor, she reveals what it's like to work with some of her more...well, interesting...colleagues. At the crux of these stories is a narrative of resilience - of personal resilience and the resilience of a nation - and, improbably, joy.

biden s speech tonight time: Parties and Elections in America Mark D. Brewer, L. Sandy Maisel, 2024-07-10 The 10th edition of this classic text introduces students to political parties and their critical role in representative democracy at the local, state, and national levels. Students will engage in fully up-to-date discussion of changes to presidential campaigns and elections, the ever-evolving world of campaign finance, rapidly changing media environment and much more. In addition, *Parties and Elections in America* reflects the authors' continuing emphasis on the foundations of our modern political system by providing historical context throughout the text. The new edition fully incorporates the 2020 and 2022 election cycles as well as the initial run-up to the 2024 election.

biden s speech tonight time: Minority Rule Ari Berman, 2024-04-23 "Voting rights journalist Ari Berman has been detailing threats to our democracy for years, and his new book *Minority Rule* is a timely and essential read. He expertly shows how Republicans are trying to rig our political system—and shares how we can fight back." —Hillary Clinton on X A riveting account of the decades-long effort by reactionary white conservatives to undermine democracy and entrench their power—and the movement to stop them. The mob that stormed the Capitol on January 6, 2021, represented an extreme form of the central danger facing American democracy today: a blatant disregard for the will of the majority. But this crisis didn't begin or end with Donald Trump's attempt to overturn the 2020 election. Through voter suppression, election subversion, gerrymandering, dark money, the takeover of the courts, and the whitewashing of history, reactionary white conservatives have strategically entrenched power in the face of a massive demographic and political shift. Ari Berman charts these efforts with sweeping historical research and incisive on-the-ground reporting, chronicling how a wide range of antidemocratic tactics interact with profound structural inequalities in institutions like the Electoral College, the Senate, and the Supreme Court to threaten the survival of representative government in America. "The will of the people," wrote Thomas Jefferson in 1801, "is the only legitimate foundation of any government." But that foundation is crumbling. Some counter-majoritarian measures were deliberately built into the Constitution, which was designed in part to benefit a small propertied upper class, but they have metastasized to a degree that the Founding Fathers could never have anticipated, undermining the very notion of "a government of the people, by the people, and for the people." Chilling and revelatory, *Minority Rule* exposes the long history of the conflict between white supremacy and multiracial democracy that has reached a fever pitch today—while also telling the inspiring story of resistance to these regressive efforts.

biden s speech tonight time: Campaigning in the Aftermath of the 2020 Elections Robert E. Denton Jr., 2021-10-28 The post-election period of the 2020 presidential campaign is historic not only for the culmination of tensions in the January 6, 2021 storming of the US capitol, but also in the very persistence of campaigning after the election was over. Historically, political campaigns have had only four phases: pre-primary, primary, convention, and general election. In 2020, there was a distinct and active post-election campaign in which President Donald Trump vigorously challenged the election, calling for recounts, court challenges amid charges of voter fraud and irregularities. Speeches, rallies, fundraising and advertising continued weeks past the election. For the first time modern electoral history, there was an active, dramatic and decisive post-election phase of the 2020 presidential campaign. This volume explores political communication during the post-election phase from election day until the inauguration of President Joseph R. Biden. Chapters address political branding, the nature of argumentation in the era of partisanship, the themes and issues of media coverage, examination of Trump's January 6th address in terms of inciting an insurrection or free speech, Trump's discursive strategy, political advertising and political cartoons during this period concluding with an examination of the post-election lawsuits.

biden s speech tonight time: Celtic Revival? Sean Kay, 2011-08-16 *Celtic Revival?* explores what happens when a society loses its wealth, its faith in government, and its trust in its Church. The glorious rise of the Celtic Tiger in Ireland was thought by many to be a model for future economic growth for countries around the world; its dramatic crash in 2008 resonated equally widely. Yet

despite the magnitude of the ongoing collapse, Sean Kay shows that seen in historical perspective, the crisis is part of a much larger pattern of generations of progress and change. Kay draws on a rich blend of research, interviews with a broad spectrum of Irish society, and his own decades of personal experience to tell the story of Ireland today. He guides the reader through the country's major economic challenges, political transformation, social change, the crisis in the Irish Catholic Church, and the rise of gay rights and multiculturalism. He takes us through the streets of Derry and Belfast to understand the Northern Ireland peace process and the daunting task of peace building that has only just begun. Finally, we see how Irish foreign policy has long been a model for balancing competing interests and values. Kay concludes by highlighting Ireland's lessons for the world and mapping a vital path for twenty-first-century challenges and opportunities for the coming generations in Ireland and beyond.

biden s speech tonight time: Thoughts While Not Out Protesting Larry Elder, 2021-11-24 Larry Elder believes in the American people's power to overcome almost any circumstance — if only government would stop telling them they can't. In this column collection, Elder takes on a range of controversial issues — from the coronavirus to cancel culture, from election fraud to Black Lives Matter protests — with his signature wit and uncommon good sense.

biden s speech tonight time: Historic Documents of 2023 Heather Kerrigan, River Horse Communications, LLC, 2024-10-20 Published annually since 1972, the Historic Documents series has made primary source research easy by presenting excerpts from documents on the important events of each year for the United States and the World. Each volume pairs 60 to 70 original background narratives with well over 100 documents to chronicle the major events of the year, from official reports and surveys to speeches from leaders and opinion makers, to court cases, legislation, testimony, and much more. Historic Documents is renowned for the well-written and informative background, history, and context it provides for each document. Organised chronologically, each volume covers the same wide range of topics: business, the economy and labor; energy, environment, science, technology, and transportation; government and politics; health and social services; international affairs; national security and terrorism; and rights and justice. Each volume begins with an insightful essay that sets the year's events in context, and each document or group of documents is preceded by a comprehensive introduction that provides background information on the event. Full-source citations are provided. Readers have easy access to material through a detailed, thematic table of contents, and each event includes references to related coverage and documents from the last ten editions of the series.

biden s speech tonight time: *Everyone Is a Someone* Roy Murch, Robin Frost, 2022-05-13 These stories tell the wrong path we are headed unless we change the outcome. The racial injustice, police reform, and changing this hate into love for all immigrants living in our land. America is made from immigrants coming to America to have a better life for themselves and their families. We must strive to do our part and eliminate systemic racism of all races coming or born in this country we love and call home. The sex and human trafficking and illegal drugs that have stained our land must cease to exist.

biden s speech tonight time: The False White Gospel Jim Wallis, 2024-04-02 NOW A NEW YORK TIMES AND A USA TODAY BESTSELLER Everyone who claims to be 'Christian' or else claims to be upset by 'Christianity' needs to read this book, especially politicians using people's supposed faith for their own ends. —Margaret E. Atwood Jim Wallis calls the nation to grow up and he calls us all to fight the love battle to save the soul of America. —From the Foreword by Eddie S. Glaude, Jr. A major new work by the New York Times bestselling author, arguing that the answer to bad religion is true faith that will help refound democracy It is time says Jim Wallis, to call out genuine faith—specifically the “Christian” in White Christian Nationalism—inviting all who can be persuaded to reject and help dismantle a false gospel that propagates white supremacy and autocracy. We need-to raise up the faith of all of us, and help those who are oblivious, stuck, and captive to the ideology and idolatry of White Christian Nationalism that is leading us to such great danger. Wallis turns our attention to six iconic texts at the heart of what genuine biblical faith means and what

Jesus, in the gospels, has called us to do. It is time to ask anew: do we believe these teachings or not? This book isn't only for Christians but for all faith traditions, and even those with no faith at all. When we see a civic promotion of fear, hate, and violence for the trajectory of our politics, we need a civic faith of love, healing, and hope to defeat it. And that must involve all of us—religious or not. Learning to practice a politics of neighbor love will be central to the future of democracy in America. And more than ever, the words of Jesus ring, "You will know the truth, and the truth will set you free."

biden s speech tonight time: Read Me, Liberals! Stacey Smith, 2023-08-11 Read Me, Liberals is an attempt to awaken a certain class of people that are morally at risk. The modern United States political system is dominated by a two-party system, Democrats and Republicans. Either party is perfect nor will the ever be perfect, but the Democratic party has gone so far left it is a threat to the freedom and safety of American citizens. The modern Democratic party and their allies want to dramatically alter the United States to their fascist ideology. They want total control of you and I by any means necessary. They want to control how you think and what you can say. Most importantly they want you to be submissive to a complete totalitarian government control. This book exposes all the hypocrisy, corruption, and moral insanity that comes from the left. Most importantly it exposes the two-tiered justice system, one for Democrats and one for the rest of us. This book is meant to target liberals, democrats, and independents but will help educate conservatives and Republicans as well. I challenge anyone that loves the United States to read this and help save this country while we still can. Liberals will continue to push their one-world order agenda until they get what they want. The United States is more politically divided than any other time in history and we need to come together somehow.
