

biblical mother daughter relationships

biblical mother daughter relationships embody profound spiritual and emotional connections that reflect the values, teachings, and cultural contexts found within Scripture. These relationships often illustrate themes of guidance, nurture, faith, and legacy, providing timeless lessons applicable to contemporary family dynamics. Exploring biblical mother daughter relationships reveals how maternal influence shapes daughters' identities, faith journeys, and roles within their communities. This article examines key examples from the Bible, analyzes the characteristics of these relationships, and highlights their significance in fostering strong family bonds grounded in biblical principles. By understanding these sacred connections, readers can gain insight into the enduring impact of maternal love and wisdom as portrayed in the Scriptures. The following sections will delve into notable biblical mother-daughter pairs, the spiritual roles mothers played in their daughters' lives, and practical applications for today.

- Notable Biblical Mother and Daughter Figures
- Characteristics of Biblical Mother Daughter Relationships
- Spiritual Guidance and Teaching Within the Relationship
- Challenges and Reconciliation in Biblical Mother-Daughter Dynamics
- Applying Biblical Principles to Modern Mother Daughter Relationships

Notable Biblical Mother and Daughter Figures

Throughout the Bible, several mother-daughter relationships stand out, offering insight into familial roles and spiritual heritage. Though explicit mentions of daughters are less frequent than sons, the narratives involving mothers and daughters carry rich theological and cultural significance. These figures demonstrate diverse experiences, from nurturing faith to navigating social challenges.

Hannah and Her Daughter-in-Law (Symbolic Maternal Influence)

While Hannah's direct relationship with a daughter is not detailed, her story exemplifies maternal devotion and faith that affected the broader family lineage. Known for her fervent prayers and dedication to God, Hannah's influence extended to her children, shaping future generations through spiritual commitment.

Jochebed and Miriam

Jochebed, mother of Moses, and Miriam, his sister, represent a powerful maternal and sibling relationship integral to Israel's deliverance. Jochebed's courageous act of protecting Moses and Miriam's protective care highlight the nurturing roles women played in preserving God's plan. Although Miriam is a sister, their dynamic reflects extended maternal care and guidance.

Naomi and Ruth: A Surrogate Mother-Daughter Relationship

The relationship between Naomi and Ruth, a Moabite daughter-in-law, is a profound example of love, loyalty, and spiritual mentorship. Naomi's guidance helped Ruth embrace the God of Israel and integrate into His covenant community. Their bond illustrates how biblical mother daughter relationships can transcend biology to include spiritual motherhood and discipleship.

Elizabeth and Mary

Elizabeth, mother of John the Baptist, and Mary, mother of Jesus, shared a unique kinship marked by faith and divine purpose. Their interaction during Mary's visitation reveals mutual encouragement and spiritual affirmation, underscoring the importance of supportive relationships among women in God's redemptive plan.

Characteristics of Biblical Mother Daughter Relationships

Biblical mother daughter relationships are characterized by several key attributes that foster spiritual growth and familial strength. These traits provide a framework for understanding how maternal influence shapes daughters' development in faith and life.

Unconditional Love and Sacrifice

Mothers in the Bible often exhibit profound love and willingness to sacrifice for their daughters' well-being. This unconditional love serves as a foundation for trust, security, and emotional nurturance, essential components of a healthy mother daughter relationship.

Teaching and Wisdom Transmission

Passing down wisdom, moral instruction, and spiritual truths is a critical aspect of these relationships. Mothers act as primary educators, guiding daughters in understanding God's laws, ethical behavior, and community responsibilities.

Faith and Spiritual Mentorship

Faith serves as the cornerstone of biblical mother daughter relationships. Mothers frequently model trust in God, prayerfulness, and obedience, encouraging daughters to develop their own spiritual identities and commitments.

Respect and Honor

Respect is mutually cultivated, reflecting biblical commandments to honor parents and foster harmonious family life. This respect upholds dignity and encourages open communication between mothers and daughters.

- Unwavering love and care
- Consistent spiritual guidance
- Transmission of cultural and religious values
- Support through life's challenges
- Mutual respect and honor

Spiritual Guidance and Teaching Within the Relationship

One of the most significant roles mothers play in biblical mother daughter relationships is that of spiritual guide. This mentorship shapes daughters' faith foundations and equips them for their roles within their families and communities.

Role of Mothers as Spiritual Educators

Mothers frequently serve as the first source of religious education, teaching daughters to read and understand Scripture, pray, and live according to God's commands. This guidance fosters a lifelong relationship with God and strengthens moral character.

Encouragement in Trials and Challenges

Biblical mothers often support their daughters through difficulties, offering prayerful encouragement and wisdom. This spiritual support enables daughters to persevere and grow in faith despite adversity.

Intergenerational Faith Legacy

Passing faith from mother to daughter creates a continuous legacy of belief and devotion. This intergenerational transmission ensures that biblical values and truths endure within families and communities over time.

Challenges and Reconciliation in Biblical Mother-Daughter Dynamics

Like any human relationship, biblical mother daughter relationships include moments of tension, misunderstanding, and conflict. These challenges provide opportunities for growth, forgiveness, and deeper connection in alignment with biblical teachings.

Common Challenges Faced

Differences in perspectives, generational gaps, and external pressures can strain mother daughter relationships. The Bible acknowledges the complexity of family dynamics while encouraging compassion and patience.

Examples of Conflict and Resolution

Stories such as that of Naomi and Ruth illustrate how reconciliation and renewed commitment can restore and strengthen bonds. The emphasis on forgiveness and love reflects core biblical principles for managing relational difficulties.

Lessons in Forgiveness and Patience

Patience and forgiveness are vital virtues promoted within the Scriptures to navigate conflicts constructively. Mothers and daughters who practice these qualities reflect the grace and mercy exemplified by God.

Applying Biblical Principles to Modern Mother Daughter Relationships

Contemporary mother daughter relationships can benefit greatly from the wisdom found in biblical narratives and teachings. Applying these principles fosters healthier, more resilient familial ties centered on faith and mutual respect.

Building Strong Spiritual Foundations

Encouraging shared faith practices such as prayer, Bible study, and worship strengthens the mother daughter bond and promotes spiritual growth. Intentional spiritual mentorship remains essential in modern family life.

Prioritizing Communication and Understanding

Open dialogue and empathetic listening support emotional connection and reduce misunderstandings. Biblical models of respect and honor guide these interactions.

Embracing Roles of Mentor and Disciple

Mothers can embrace their role as mentors, while daughters engage as willing learners, creating a dynamic that promotes growth and maturity. This reciprocal relationship mirrors biblical discipleship principles within the family context.

1. Commit to regular spiritual activities together
2. Practice active and compassionate communication
3. Encourage mutual respect and honor
4. Address conflicts with forgiveness and patience
5. Celebrate faith milestones and growth

Frequently Asked Questions

What are some examples of mother-daughter relationships in the Bible?

Examples include Hannah and her daughter-in-law Peninnah, Naomi and her daughter-in-law Ruth, and Mary and Jesus as a mother-daughter dynamic in a broader spiritual sense.

How does the Bible portray the role of a mother in her daughter's life?

The Bible often portrays mothers as nurturing, teaching, and guiding their daughters in faith, wisdom, and moral values, as seen in Proverbs 31 and the teachings of Timothy's mother Eunice.

Are there any biblical teachings specifically about daughters and their behavior towards their mothers?

Yes, the Bible teaches honor and respect towards parents, including mothers, as stated in Exodus 20:12 and Ephesians 6:1-3, emphasizing obedience and love.

What lessons can modern mothers learn from biblical mother-daughter relationships?

Modern mothers can learn the importance of faith, patience, teaching moral values, providing emotional support, and fostering a close, respectful relationship with their daughters.

Does the Bible address challenges in mother-daughter relationships?

While the Bible does not explicitly focus on mother-daughter conflicts, it addresses family struggles and reconciliation, encouraging forgiveness, love, and understanding within all family relationships.

Who was Eunice and what is her significance in biblical mother-daughter relationships?

Eunice was the mother of Timothy, noted for her sincere faith and for passing on her beliefs to her son, illustrating the powerful influence of a godly mother in a child's spiritual life.

How is Mary's relationship with her children portrayed in the Bible, especially as a mother figure?

Mary is depicted as a caring and devoted mother, present at significant moments in Jesus' life, symbolizing faith, obedience, and compassion, which can inspire motherly love and devotion.

What biblical advice is given to mothers raising daughters?

Biblical advice includes teaching daughters to fear the Lord (Proverbs 1:8-9), encouraging purity, wisdom, kindness, and preparing them for a life of faith and service.

Are there any parables or stories in the Bible that highlight mother-daughter dynamics?

While parables rarely focus specifically on mother-daughter relationships, stories like Ruth and Naomi highlight loyalty, care, and the strength of familial bonds between women.

How can biblical principles improve contemporary mother-daughter relationships?

Applying biblical principles such as love, patience, forgiveness, respect, and communication can strengthen trust, understanding, and emotional connection between mothers and daughters today.

Additional Resources

1. Mother and Daughter in the Bible: Lessons of Faith and Love

This book explores the unique and powerful relationships between mothers and daughters as depicted in the Bible. It delves into stories like Hannah and Samuel, Naomi and Ruth, highlighting the spiritual and emotional bonds that shaped their lives. Readers gain insights into how these biblical relationships provide timeless lessons on faith, love, and resilience.

2. Legacy of Grace: Biblical Mother-Daughter Stories

"Legacy of Grace" examines the enduring legacy passed from mothers to daughters in biblical narratives. The author reflects on the roles of women in scripture, emphasizing how faith and guidance are transmitted through generations. This book is both a devotional and a study guide for those seeking to understand the sacred ties between mothers and daughters.

3. Faithful Bonds: Exploring Mother-Daughter Relationships in Scripture

This insightful volume analyzes the complexities and strengths of mother-daughter relationships found in the Bible. Through detailed examination of key figures such as Eve and her daughters, and Mary and her relationship with women in her life, the book offers a fresh perspective on biblical family dynamics. It encourages readers to draw spiritual

inspiration from these ancient connections.

4. *Ruth and Naomi: A Story of Love and Loyalty*

Focused exclusively on the profound relationship between Ruth and her mother-in-law Naomi, this book highlights themes of devotion, loyalty, and faithfulness. It provides historical and cultural context to better understand their bond and its significance in biblical history. The narrative invites readers to reflect on their own family relationships through the lens of scripture.

5. *Women of the Bible: Mothers and Daughters in God's Plan*

This comprehensive guide profiles various mother-daughter pairs in the Bible, examining their roles in God's overarching plan. From Sarah and Isaac's wife Rebekah to Elizabeth and Mary, the book showcases how these relationships influenced biblical events. It serves as a resource for those interested in biblical history and women's spiritual heritage.

6. *Heritage of Hope: Biblical Insights on Mother-Daughter Faith*

"Heritage of Hope" provides a devotional approach to understanding the spiritual heritage shared between biblical mothers and daughters. It combines scripture study with practical applications for modern-day relationships, encouraging readers to cultivate faith and hope within their families. The book is designed to inspire and strengthen mother-daughter bonds through biblical principles.

7. *From Eve to Mary: The Spiritual Journey of Biblical Women and Their Daughters*

This work traces the spiritual journeys of prominent biblical women and their daughters, highlighting growth, struggle, and divine purpose. It reflects on how these relationships shaped the unfolding story of salvation history. Readers will find encouragement in seeing the faithfulness of God through the generations.

8. *Chosen Mothers, Chosen Daughters: Biblical Stories of Divine Connection*

Exploring the theme of divine selection, this book focuses on mothers and daughters chosen by God for special roles. It discusses how these relationships were pivotal in fulfilling God's promises, emphasizing trust and obedience. The narrative encourages readers to recognize their own divine purpose within family relationships.

9. *Faithful Mothers, Courageous Daughters: Biblical Role Models for Today*

This book draws lessons from biblical mothers and daughters who exhibited faith and courage in challenging times. It highlights their stories as role models for contemporary women seeking to live out their faith boldly. Through practical reflections and scriptural examples, readers are motivated to nurture strong, faith-filled family connections.

biblical mother daughter relationships: A Feminist Companion to Ruth and Esther

Athalya Brenner-Idan, 1999-04-01 The second series of Feminist Companions moves beyond the confines of sex- and gender-specific issues and studies of biblical women. Biblical feminist critics now address contemporary life situations, marginalization and a range of questions once not thought accessible to such critique. Feminist theory has also continued a rapid evolution. Among the topics included in this volume are composition, Torah, Ruth-the-Cat, female networking-together with much else to inform and stimulate female (and male) biblical scholars and non-scholars.

biblical mother daughter relationships: Letters from Leanne Jill Beran, Leanne Anderson, 2009-10 Have you ever wondered what the Titus 2 relationship looks like today? Jill Beran was a young woman looking for a reason to go on. Leanne Anderson was a busy wife and mother with the wisdom and experience Jill needed. Neither of them knew the bond that would be formed or how their lives would change-but God did. He crossed their paths and led them to form a unique mentoring relationship. While two women in such different stages of life may seem like unlikely friends, their experience shows how lives are impacted when generations connect. Spiritual mentoring is a biblical concept, and Letters from Leanne illustrates its importance yet today. As you read Leanne and Jill's letters their friendship will leave you encouraged and longing for your own spiritual mother-daughter relationship. This book is a beautiful picture of what a mentoring relationship can be-whether face to face or long distance. Many women today need mentors to learn from. I pray this book will inspire all of us to pursue finding a mentor, or being one! Marybeth Whalen, Proverbs 31 Speaker and author of Learning to Live Financially Free

biblical mother daughter relationships: Fathers and Daughters in the Hebrew Bible Johanna Stiebert, 2013-03-28 The father-daughter dyad features in the Hebrew Bible in all of narratives, laws, myths and metaphors. In previous explorations of this relationship, the tendency has been to focus on discrete stories - notable among them, Judges 11 (the story of Jephthah's human sacrifice of his daughter) and Genesis 19 (the dark tale of Lot's daughters' seduction of their father). By taking the full spectrum into account, however, the daughter emerges prominently as (not only) expendable and exploitable (as an emphasis on daughter sacrifice or incest has suggested) but as cherished and protected by her father. Depictions of daughters are multifarious and there is a balance of very positive and very negative images. While not uncritical of earlier feminist investigations, this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis. Alongside careful textual analysis, Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour-shame model, of parallels with Roman family studies, and of the application and meaning of 'patriarchy'. Following semantic analysis of the primary Hebrew terms for 'father' (אב) and 'daughter' (בת), as well as careful examination of inter-family dynamics and the daughter's role vis-à-vis the son's, alongside thorough investigation of both Judges 11 and Genesis 19, and also of the metaphor of God-the-father of daughters Eve, Wisdom and Zion, Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date.

biblical mother daughter relationships: The Complete Christian Guide to Understanding Homosexuality Joe Dallas, 2010-07-01 One of the hot-button issues of our day is fully addressed in this comprehensive new resource on homosexuality. This well-researched and highly readable guide is the perfect go-to manual for families, church workers, counselors, pastors, civic leaders, schools, and those who themselves struggle with same-sex attraction. Readers will find the answers to these and many more important questions: What is homosexuality? Is the tendency for homosexuality genetic? How should the church respond? What's the proper response when a relative or friend announces they're gay? What are the legal and civic ramifications of homosexuality? Should homosexuals serve openly in the military? What about gay marriage and adoption? Authoritative authors Joe Dallas (Desires in Conflict, When Homosexuality Hits Home) and Dr. Nancy Heche (The Truth Comes Out) tackle the hard questions about same-sex attraction in this helpful volume.

biblical mother daughter relationships: Women in the Hebrew Bible Alice Bach, 2013-10-31 Women in the Hebrew Bible presents the first one-volume overview covering the interpretation of

women's place in man's world within the Hebrew Bible or Old Testament. Written by the major scholars in the field of biblical studies and literary theory, these essays examine attitudes toward women and their status in ancient Near Eastern societies, focusing on the Israelite society portrayed by the Hebrew Bible.

biblical mother daughter relationships: Living Biblically Kalman J. Kaplan, 2012-12-12
Living Biblically de-situates biblical wisdom from its formally religious-theological underpinnings and offers it as a guide for fulfilled, happy living. Although over 95 percent of Americans have some sense of a meaning-providing transcendent power, 75 percent of clinical psychologists and psychiatrists lack such belief. Without intelligent, applicable access to biblical wisdom, many unwittingly live out the tragic patterns emerging from classical Greece underlying much of modern life and psychotherapy. People are stuck, even trapped, without hope of redemptive change. They spin their wheels, cycling back and forth. Biblical narratives, in contrast, portray people as growing, developing, and overcoming problematic life situations. This book presents a systematic yet readable delineation of how biblical wisdom can apply to ten issues of daily life: 1) Relating to the Environment, 2) Relating to Another as Yourself, 3) Relating to Authority, 4) Relating to the Opposite Sex, 5) Relating to a Son, 6) Relating to a Daughter, 7) Relating to Siblings, 8) Relating Body to Soul, 9) Relating to a Self-Destructive Person, and 10) Relating to Misfortune. In each chapter, a specific psychological issue is discussed, applicable Greek and biblical narratives are compared, and contemporary illustrations are provided, enabling the reader to live in a more fulfilling and happy manner.

biblical mother daughter relationships: Biblical Stories for Psychotherapy and Counseling Kalman Kaplan, Matthew Schwartz, 2013-10-23 Integrate Biblical spirituality into psychotherapy and examine centuries-old answers to modern psychological questions! The Joint Commission on the Accreditation of Hospitals now mandates taking spiritual assessments of all patients. This book is devoted to helping therapists employ Biblical spirituality in the actual treatment program. *Biblical Stories for Psychotherapy and Counseling: A Sourcebook* organizes the wisdom of the Old Testament into episodes that can shed light on specific psychological issues. From the familiar to the obscure, these stories can help us better understand self-esteem, loyalty and obligations, decision making, temptation, anger, morality, various disorders, family dynamics, support systems, developmental issues, recovery issues, aging, suicidal behavior, and more. From the authors: As brilliant and as penetrating as Freud's insights are, they are limited in the sense that Freud relied heavily on Greek myth and literature for his models and ideas. His view of man was in many ways that of the Greeks—a view that concentrated on the pathological underside of man and on the bedrock of his developmental problems. The Greeks could never really shake the sense of doom, the foreboding and the fatalism that led so many great figures in Greek literature and in real life Greek history to depression and, in a surprising number of cases, to suicide. In contrast, the focus of the Bible is far more optimistic; depression can be successfully dealt with, and suicide is a sad error that should be and usually can be avoided. It encourages people to hope and teaches that day-to-day human effort has a purpose and meaning and that heroism is not a fair or useful aim for man to set for himself. The Bible offers the hope of filling every moment of human life with greater meaning and feeling. New solutions to mental health problems are always welcome. Ours is a new approach, yet a very old one. We present stories that offer a vast treasure of knowledge and wisdom about the way people think and act, and why they do so. The stories are drawn from the Hebrew Bible, a compendium whose latest books are already twenty-four hundred or so years old. Yet, through all those centuries, the basic story of man's searching and yearning has changed little. We shall concentrate on the psychological meaning of these narratives and what they tell us about how their characters dealt with challenges of family, handicap, depression, and more. You'll also find information drawn from modern clinical research that parallels the Biblical narratives. The wisdom gained from these ancient stories is applied to help people gain self-understanding and deal with their own situations today. For psychotherapists, these Biblical foundation stories can be used as a basis for integrating spirituality into psychotherapy. The story of Moses, who overcame a speech

problem, can be applied to the problems of a Midwestern college student, and the account of David and Goliath can help a businessman overcome his fears of lack of macho. A small sample of the Bible stories and their clinical implications that you'll find in this volume: the foundation of self-esteem: Saul the courage to emigrate: Abraham assuming responsibility for one's self: Lot's wife focusing on one's main aim: Sarah and Hagar dealing with commandments: Abraham and Isaac dealing with temptations: Adam and Eve drunkenness and disrespect: Noah reciprocity between generations: Naomi and Ruth amoral intellectualism: Balaam aging: Ecclesiastes dealing with disability: Moses and Aaron abandonment: David protected regression: Jonah Biblical Stories for Psychotherapy and Counseling: A Sourcebook will become a well-used reference in your professional/teaching collection. These Biblical stories will be helpful to therapists, cle

biblical mother daughter relationships: *Why Jephthah's Daughter Weeps* Margaret Murray Talbot, 2022-02-28 Why does Jephthah's daughter weep? Readers have creatively imagined the causes of her tears as she weeps upon her betulim—usually translated virginity or maidenhood. But her menstrual cycle's relation to these terms is rarely mentioned. A child-oriented theoretical and methodological foundation and research with post-menarcheal girls provide new answers to oft-raised questions about Bat-Yiphtach's weeping and her agency. Through an in-depth philological review and a focus on the "excluded middle" of the child-adult binary, this translation and interpretation of the story contribute to the field of childhood studies and shows that menarche and menstruation play a larger role in the narrative than readers have realized.

biblical mother daughter relationships: *Mended* Blythe Daniel, Helen McIntosh, 2019-04-09 "An amazing resource for anyone who desires to deepen their mother-daughter relationship in a biblical, healthy, and healed way." —Lysa TerKeurst, New York Times bestselling author and president of Proverbs 31 Ministries You can be restored even when your relationship is frayed Ever wonder why mothers and daughters can be so different and even seem to speak different languages? *Mended* gives you conversation starters to speak life into your relationship with your mother or daughter. Discover powerful words that usher in healing for wounded hearts and rebuild, restore, and reconcile your connection. Set new patterns going forward as you... find common ground and put your relationship ahead of your differences learn what to say when you don't know what to say grow closer when you do hard things together If you have a difficult history with your mother or daughter, you don't have to continue patterns of brokenness. No matter how worn you feel, you don't have to become unthreaded. God wants to mend your heart to His and to hers.

biblical mother daughter relationships: *Sexual Politics in the Biblical Narrative* Esther Fuchs, 2003-04-01 This book is for anyone interested in religious studies and women's studies, as well as for biblical scholars. It offers a feminist oppositional reading of the biblical text. The main argument is that the Bible constructs a fictional universe in which women are shown to be intent on promoting male interests, and, for the most part, appear as secondary characters whose voice and point of view are often suppressed. In their limited roles as mothers, wives, daughters and sisters, women are constructed as male-dependent pawns intent on securing the status of their male counterparts. The Biblical narrative highlights the contribution of women as reproductive agents and protectors of sons. In this challenging collection of essays, Fuchs focuses on type-scenes as a way of demonstrating the mechanisms by which the texts validate male power and superiority. She also deconstructs the Biblical sexual politics by asking whose interest is being served by the 'good' women of the Bible. *Journal for the Study of the Old Testament Supplement series, Volume 310.*

biblical mother daughter relationships: *Voices from the University* Heidi Szpek, 2002 In this collection more than twenty student essays and papers are brought together to celebrate the legacy of the Hebrew Bible. Within such diverse disciplines as art, literature, philosophical thought, gender studies, prophecy, the nature of God, mysticism, and the unimaginable domains of the American Frontier and The Jerry Springer Show, the students of Central Washington University have revealed that the sacred literature of the Hebrew Bible, the Old Testament in Christian tradition, has not only imparted its wisdom on the western world of past centuries, but is still a vibrant source of inspiration and knowledge speaking to those within contemporary society.

biblical mother daughter relationships: *Childhood in History* Reidar Aasgaard, Cornelia Horn, 2017-07-20 Inquiring into childhood is one of the most appropriate ways to address the perennial and essential question of what it is that makes human beings – each of us – human. In *Childhood in History: Perceptions of Children in the Ancient and Medieval Worlds*, Aasgaard, Horn, and Cojocaru bring together the groundbreaking work of nineteen leading scholars in order to advance interdisciplinary historical research into ideas about children and childhood in the premodern history of European civilization. The volume gathers rich insights from fields as varied as pedagogy and medicine, and literature and history. Drawing on a range of sources in genres that extend from philosophical, theological, and educational treatises to law, art, and poetry, from hagiography and autobiography to school lessons and sagas, these studies aim to bring together these diverse fields and source materials, and to allow the development of new conversations. This book will have fulfilled its unifying and explicit goal if it provides an impetus to further research in social and intellectual history, and if it prompts both researchers and the interested wider public to ask new questions about the experiences of children, and to listen to their voices.

biblical mother daughter relationships: *Daughters in the Hebrew Bible* Kimberly D. Russaw, 2018-03-15 While the expectations and circumstances of women's lives in ancient Israel have received considerable attention in recent scholarship, to date little attention has been focused on the role of daughters in Hebrew narrative??that is, of yet unmarried female members of the household, who are not yet mothers. Kimberly D. Russaw argues that daughters are more than foils for the males (fathers, brothers, etc.) in biblical narratives and that they often use particular tactics to navigate antagonistic systems of power in their worlds. Institutions and power structures favor the patriarch, sons inherit such privileges and benefits, and wives and mothers are ascribed special status because they ensure the patrilineal legacy by birthing sons; but daughters do not receive such social favor or standing. Instead of privileging daughters, systems and institutions control their bodies, restrict their access, and constrict their movement. Combining philological data, social-science models, and cross-cultural comparisons, Russaw examines the systems that constrict biblical daughters in their worlds and the strategies they employ when hostile social forces threaten their well-being.

biblical mother daughter relationships: *Diamela Eltit* Mary Green, 2007 Thirty-five years after her death, this book reassesses the Argentinian poet Alejandra Pizarnik (1936-72) in the light of recent publications of her 'complete' poetry and prose, diaries, and previously unavailable archive material. The essays in this volume explore Pizarnik's work from new angles: they examine her production as a literary critic, revealing her intense identificatory strategies as a reader, and the impact of such activities upon her own creative process. They also weigh up the influence of her ambiguous attitudes towards sexuality on her poetic personae, as well as the ways in which her concern with sex inspires her experimentation with humorous prose. New approaches are taken to key texts and themes: in the case of the much-studied work, 'La condesa sangrienta', through a detailed philosophical reading involving comparisons with Kafka, and, in the case of the theme of the split subject, through the lens of translation. By broadening the scope of Pizarnik studies, this book will act as a catalyst for further research into the work of this compelling poet.

biblical mother daughter relationships: *Military Chaplains' Review* , 1990

biblical mother daughter relationships: *The Feminist Encyclopedia of German Literature* Friederike Eigler, Susanne Kord, 1997-02-28 Today, a multiplicity of feminist approaches has become an integral part of the fields of German literary and cultural studies. This comprehensive reference provides a much needed synthesis of the contribution women have made to German literature and culture. In entries for more than 500 topics, the volume surveys literary periods, epochs, and genres; critical approaches and theories; important authors and works; female stereotypes; laws and historical developments; literary concepts and themes; and organizations and archives relevant to women and women's studies. Each entry offers a concise identification of the term, a discussion of its significance, and a bibliography of works for further reading. Today, a multiplicity of feminist approaches has become an integral part of the fields of German literary and

cultural studies. While biographical works on women writers exist, this is the first reference to synthesize the wealth of feminist scholarship in German studies. While existing reference works focus exclusively on women authors, this volume contains numerous topical entries and covers the role of women in German literature and culture from the Middle Ages to the present day. Included are alphabetically arranged entries on more than 500 topics. While some entries are provided for important women writers and other individuals, the bulk of the volume provides information on literary periods, epochs, and genres; critical approaches and theories; female stereotypes; laws and historical developments; literary concepts and themes; and organizations and archives relevant to women and women's studies. Each entry includes a brief identification of the subject, a discussion of feminist thought on the topic, and a brief bibliography. Entries are written by numerous contributors and reflect a range of critical/theoretical approaches.

biblical mother daughter relationships: *First-Degree Incest and the Hebrew Bible* Johanna Stiebert, 2016-10-20 'Incest' refers to illegal sexual relations between family members. Its precise contours, however, are culturally specific. Hence, an illegal incestuous union in one social context may be a legal close-kin union in another. First-degree sexual unions, between a parent and child, or between siblings, are most widely prohibited and abhorred. This book discusses all overt and covert first-degree incest relations in the Hebrew Bible and also probes the significance of gaps and what these imply about projected sexual and social values. As the dominant opinion on the origin of first-degree incest continues to be shaped, new voices such as those of queer and post-feminist criticism have joined the conversation. It navigates not only the incest laws of Leviticus and the narratives of Lot and his daughters and of Amnon and Tamar but pursues subtler intimations of first-degree sexual unions, such as between Adam and his (absent but arguably implied) mother, Haran and Terah's wife, Ham and Noah. In pursuing the psycho-social values that may be drawn from the Hebrew Bible regarding first-degree incest, this book will provide a thorough review of incest studies from the early 20th century onward and explain and assess the contribution of very recent critical approaches from queer and post-feminist perspectives.

biblical mother daughter relationships: *Mothers in the Jewish Cultural Imagination* Marjorie Lehman, Jane L. Kanarek, Simon J. Bronner, 2017-08-01 Most Jews will feel intimately familiar with and attached to the figure of the 'Jewish mother', yet few have questioned representations of mothers and motherhood in Jewish culture. This volume aims to fill this gap by bringing to the fore the vast network of symbols and images which Jews have associated with mothers from the Bible to the modern period. It demonstrates the complex ways in which the Jewish mother has been used to construct and frame Jewish religion and culture.

biblical mother daughter relationships: *Postcolonial Biblical Criticism* Fernando F. Segovia, Stephen D. Moore, 2007-02-14 Postcolonial studies have made significant inroads into biblical studies, giving rise to numerous conference papers, articles, essays and books. This book offers an introduction to postcolonial biblical criticism and probes it from a number of different but interrelated angles to bring it into focus, so that its promise can be better appreciated.

biblical mother daughter relationships: Marsha Norman Linda Ginter-Brown, 2014-04-08 This collection of ten original (and one reprinted) essays provides an in-depth examination of one of America's foremost contemporary playwrights. Established critics as well as younger scholars examine well-known works such as *Getting Out*, *'night*, *Mother*, *The Laundromat*, and the adaptation of *The Secret Garden*. Lesser known plays such as *The Holdup*, *Sarah and Abraham*, *Traveler in the Dark*, and *Loving Daniel Boone* are also discussed. This casebook includes an interview with Norman commenting on her work and her place in American theater as well as a review of *'night*, *Mother* by drama critic Robert Brustein. The essays analyze Norman's works in comparison to the works of other playwrights and examine the mother/daughter relationships of the characters as well as Norman's sense of a woman's place within a patriarchal culture.
