

political cartoons temperance movement

political cartoons temperance movement played a significant role in shaping public opinion during the late 19th and early 20th centuries. These cartoons served as powerful visual tools that communicated the goals, challenges, and societal impacts of the temperance movement, which aimed to curb alcohol consumption and promote sobriety. Political cartoons used satire, symbolism, and exaggeration to critique opponents and highlight the perceived benefits of temperance, making complex social issues accessible and engaging for a broad audience. This article explores the historical context of the temperance movement, the role of political cartoons in advancing its agenda, key themes and imagery found in these cartoons, and their lasting influence on American society and politics. Understanding this intersection of art and activism reveals how visual media contributed to one of the most influential social reforms in American history. The following sections will provide a detailed examination of these aspects.

- Historical Context of the Temperance Movement
- The Role of Political Cartoons in the Temperance Movement
- Common Themes and Imagery in Temperance Cartoons
- Impact and Legacy of Temperance Political Cartoons

Historical Context of the Temperance Movement

The temperance movement emerged in the early 19th century as a social and political campaign against the consumption of alcoholic beverages. Rooted in religious and moral concerns, the movement sought to address the negative effects of alcohol on individuals, families, and society at large. By the late 1800s, temperance advocates had gained considerable momentum, influencing legislation and shaping public discourse around alcohol use and abuse.

Origins and Growth of the Movement

The temperance movement began with small local societies promoting moderation and abstinence from alcohol. It quickly grew into a national crusade, with organizations such as the American Temperance Society and the Woman's Christian Temperance Union (WCTU) advocating for prohibition laws. The movement linked alcohol consumption to social problems like domestic violence, poverty, and crime, framing temperance as a solution to broader societal ills.

Political and Social Climate

During this period, America experienced rapid industrialization and urbanization, which brought new social challenges. Political debates about alcohol regulation intensified, culminating in the passage of the 18th Amendment in 1919, which instituted Prohibition. The political cartoons of the era reflect these tensions, illustrating the clash between temperance advocates, liquor interests, and the general public.

The Role of Political Cartoons in the Temperance Movement

Political cartoons were a critical medium for the temperance movement, providing a visually compelling and accessible way to communicate its messages. These cartoons appeared in newspapers, magazines, and pamphlets, reaching a wide audience and shaping public attitudes toward alcohol and prohibition.

Communication and Persuasion

Cartoonists used humor, irony, and symbolism to illustrate the dangers of alcohol and the benefits of temperance. By caricaturing opponents and dramatizing the consequences of drinking, political cartoons helped simplify complex arguments and foster emotional engagement. This visual rhetoric was especially effective in an era when literacy rates were improving but still limited in certain populations.

Influencing Public Opinion and Policy

Political cartoons not only swayed public opinion but also influenced lawmakers and political leaders. By highlighting the social costs of alcohol consumption and ridiculing those who opposed temperance, cartoons contributed to the political pressure that led to prohibition legislation. They also served as rallying points for temperance supporters, reinforcing shared values and goals.

Common Themes and Imagery in Temperance Cartoons

Temperance political cartoons employed a variety of themes and visual motifs to convey their messages. These images often reflected societal anxieties and moral imperatives associated with alcohol use.

Depiction of Alcohol as a Social Menace

One prevalent theme was the portrayal of alcohol as a destructive force undermining family stability, public health, and social order. Cartoons frequently depicted alcohol as a monstrous figure or a devilish character leading individuals into ruin and despair.

Symbolism of Temptation and Morality

Many cartoons used religious and moral symbolism to frame temperance as a righteous cause. Imagery such as angels, crosses, and virtuous women contrasted with demons, devils, and drunken men to illustrate the battle between good and evil. These visual contrasts reinforced the moral urgency of the movement.

Representation of Political and Economic Interests

Political cartoons often criticized those who profited from the liquor trade, portraying saloon owners, brewers, and corrupt politicians as villains undermining societal welfare. This theme highlighted the perceived greed and corruption linked to alcohol distribution and opposition to temperance laws.

Examples of Common Imagery

- The “Drunkard’s Progress” depicting the stages of alcohol-induced decline
- The saloon as a den of vice and moral decay
- The temperance crusader as a heroic figure battling evil
- Alcohol represented as snakes, demons, or poisonous substances
- Women and children as innocent victims of alcohol’s destruction

Impact and Legacy of Temperance Political Cartoons

The influence of political cartoons on the temperance movement extended beyond their immediate historical context, leaving a lasting legacy in American political and social culture.

Contribution to Prohibition and Social Reform

Political cartoons helped build the momentum that led to the enactment of Prohibition, shaping public discourse and mobilizing support for the 18th Amendment. They also contributed to wider social reforms by highlighting the connections between alcohol and issues such as domestic violence, poverty, and crime.

Evolution of Political Cartooning

The temperance movement demonstrated the power of political cartoons as tools of social advocacy and political critique. This period influenced the development of editorial cartooning as a respected art form that could sway public opinion and hold power to account.

Enduring Cultural Symbols

Many images and themes from temperance political cartoons continue to resonate in contemporary discussions about alcohol and public health. These cartoons established visual metaphors and narratives that have persisted in American culture, influencing how alcohol-related issues are portrayed and understood.

Frequently Asked Questions

What role did political cartoons play in the temperance movement?

Political cartoons were instrumental in the temperance movement by visually highlighting the negative effects of alcohol consumption and promoting the cause of prohibition. They used satire and symbolism to influence public opinion and mobilize support.

Who were some prominent cartoonists known for temperance movement illustrations?

Prominent cartoonists such as Thomas Nast and Bernhard Gillam created influential political cartoons that supported the temperance movement, using their art to criticize alcohol abuse and advocate for social reform.

How did political cartoons depict the opponents of the temperance movement?

Political cartoons often portrayed opponents of the temperance movement as

corrupt, greedy, or morally weak individuals, including saloon owners and alcohol distributors, to emphasize the perceived dangers and social evils associated with alcohol.

In what ways did temperance political cartoons reflect broader social issues of the time?

Temperance political cartoons reflected broader social issues such as women's rights, public health, crime, and family welfare by linking alcohol consumption to societal problems, thereby connecting the movement to wider calls for moral and social reform.

How effective were political cartoons in advancing the goals of the temperance movement?

Political cartoons were highly effective in advancing the temperance movement by engaging a wide audience through humor and powerful imagery, raising awareness, shaping public discourse, and ultimately influencing legislation like the 18th Amendment instituting Prohibition.

Additional Resources

1. Drawing the Line: Political Cartoons and the Temperance Movement

This book explores how political cartoons played a crucial role in shaping public opinion during the temperance movement. It examines the symbolism, satire, and rhetoric used by cartoonists to advocate for or against alcohol prohibition. Through detailed analysis of iconic cartoons, readers gain insight into the social and political climate of the era.

2. Ink and Ideals: The Art of Temperance in Political Cartoons

"Ink and Ideals" delves into the artistic styles and narratives employed by cartoonists who supported the temperance cause. The book highlights key figures in the temperance movement and how their messages were amplified through visual satire. It also discusses the impact these cartoons had on legislation and public sentiment.

3. Sobriety in Sketch: Political Cartoons and the Fight Against Alcohol

This volume surveys the history of temperance-themed political cartoons from the 19th and early 20th centuries. It contextualizes the cartoons within the broader social reform movements of the time. Readers will find a compelling collection of images accompanied by critical commentary on their persuasive power.

4. The Dry Pen: Cartoonists and the Prohibition Era

Focusing on the Prohibition era, "The Dry Pen" reveals how cartoonists influenced the national debate over alcohol regulation. The book includes a rich array of cartoons that portray both proponents and opponents of temperance, illustrating the complexities of public opinion. It also

investigates the role of media in disseminating these visual arguments.

5. *Cartoon Crusaders: Visual Satire in the Temperance Movement*

"Cartoon Crusaders" examines the use of satire and caricature in promoting temperance ideals. The text analyzes how humor and exaggeration were effective tools for social critique and mobilization. It offers a comprehensive look at the interplay between art, politics, and social reform.

6. *Lines of Reform: Political Illustration and the Temperance Campaign*

This book traces the evolution of political illustrations advocating temperance, highlighting changes in style and messaging over time. It discusses the contributions of prominent cartoonists and the cultural significance of their work. Readers learn about the strategic use of imagery in advancing the temperance agenda.

7. *Prohibition and the Pen: Political Cartoons of the Temperance Movement*

"Prohibition and the Pen" provides an in-depth study of cartoons published in newspapers and magazines that influenced the temperance movement. The book assesses how these images framed the debate around alcohol consumption and lawmaking. It also explores the intersection of gender, class, and politics in temperance-related art.

8. *The Politics of Temperance: Cartoons and Social Change*

This title investigates the broader political implications of temperance cartoons beyond the issue of alcohol itself. It considers how these cartoons reflected and shaped attitudes toward morality, governance, and social order. The book offers a multidisciplinary approach, incorporating history, political science, and visual culture studies.

9. *Sketching Sobriety: The Visual Language of the Temperance Movement*

"Sketching Sobriety" analyzes the visual techniques and iconography used to communicate temperance messages effectively. It explores how imagery appealed to emotions and values to foster support for prohibition. The book serves as a valuable resource for understanding the power of visual media in social movements.

political cartoons temperance movement: *Alcohol and Temperance in Modern History* Jack S. Blocker Jr., David M. Fahey, Ian R. Tyrrell, 2003-12-17 A comprehensive encyclopedia on all aspects of the production, consumption, and social impact of alcohol. *Alcohol and Temperance in Modern History: An International Encyclopedia* spans the history of alcohol production and

consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present. Authoritative and unbiased, it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades. Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions, traditional drinking occasions and rituals, and images of drinking and temperance in art, painting, literature, and drama. Other entries describe international treaties and organizations related to alcohol production and distribution, global consumption patterns, and research and treatment institutions, as well as temperance, prohibition, and antiprohibitionist efforts worldwide.

political cartoons temperance movement: *Prohibition* Richard Worth, 2020-07-15 *Prohibition* was a grassroots movement that changed America. Through an engaging recounting of historical events accompanied by eye-catching imagery, students will get to know some of Prohibition's dynamic leaders through their own words and actions, including Carry Nation who swung her ax to break up saloons, and Frances Willard who was a leader of the Women's Christian Temperance Union. Readers will meet Purley Baker, the persuasive lobbyist who convinced lawmakers to carry out the plans of his organization, the Anti-Saloon League, and ban the sale and manufacture of distilled spirits. A detailed chronology, chapter notes, and a further reading section with books, websites, and films offer in-depth information and additional resources for study.

political cartoons temperance movement: *Women, Politics, and Power* Pamela Paxton, Melanie M. Hughes, Tiffany D. Barnes, 2020-03-17 *Women, Politics, and Power: A Global Perspective* provides a clear, detailed introduction to women's political participation and representation across a wide range of countries and regions. Through broad statistical overviews and detailed case-study accounts, the authors document both historical trends and the contemporary state of women's political strength. Readers see the cultural, structural, political, and international influences on women's access to political power, and the difference women make once in political office. The fourth edition includes the latest information available on women in politics around the world, including current events as they have unfolded across the globe. The newest thinking in the field is presented, including on violence against women in politics. Approach and Features Nine thematic chapters explain women's access to office in the executive, legislative, and judicial branches, and why it matters. Six chapters cover women's political power in specific geographic regions with recent research and events. The book's intersectional perspective attends to the ways gender interacts with other forms of difference, both throughout the volume and in a dedicated chapter. A bounty of figures, maps, and tables provide visual accounts of the variations in women's access to political power around the world, the growth in women's political power over time, and persistent obstacles to gender equality in politics.

political cartoons temperance movement: *Insignia ducum de Arenbergh, tribus floribus genealogius illustrata. Flos tertius* ,

political cartoons temperance movement: *A Companion to the Reconstruction Presidents, 1865 - 1881* Edward O. Frantz, 2014-03-24 *A Companion to Reconstruction Presidents* presents a series of original essays that explore a variety of important issues, themes, and debates associated with the presidencies of Andrew Johnson, Ulysses S. Grant, and Rutherford B. Hayes. Represents the first comprehensive look at the presidencies of Johnson, Grant, and Hayes in one volume Features contributions from top historians and presidential scholars Approaches the study of these presidents from a historiographical perspective Key topics include each president's political career; foreign policy; domestic policy; military history; and social context of their terms in office

political cartoons temperance movement: *The Record* United States. National Archives and Records Administration, 1994

political cartoons temperance movement: *Religious Origins of Democratic Pluralism* Mark Safstrom, 2017-01-26 *The Religious Origins of Democratic Pluralism* focuses on explaining one of the riddles that fascinated historians and political scientists for much of the twentieth century,

namely, the origin and development of Swedish social democracy. While other countries in Europe experienced dramatic swings between radical and conservative political parties, which resulted in tragic experiments with totalitarian regimes, Sweden, by contrast, miraculously seemed to avoid these extremes, and instead maintained space for democratic discussion and even dissent. This peaceful transformation was facilitated by political actors who crafted the discourse of their debates in such a way that pluralism came to be valued as an ethical good and then vigorously defended. This study examines the decades leading up to the emergence of social democracy in Sweden, and in particular, the career of one prominent politician, Paul Peter Waldenstrom (1838-1917).

Waldenstrom was a clergyman, revival preacher, educator, author, and newspaper editor, whose political career began in 1868 with his participation in the Church Assembly of the Church of Sweden. His role expanded during his years of service in the Swedish parliament, the Riksdag, from 1884-1905. This study places Waldenstrom in dialogue with his contemporaries and opponents as a means of identifying how the theological values and priorities of the religious awakening were articulated in the public sphere and contributed to the development of a new political order.

political cartoons temperance movement: *The Irony of Barack Obama* R. Ward Holder, Peter B. Josephson, 2016-03-09 Drawing on the political theology of Reinhold Niebuhr, described by Barack Obama as 'one of my favourite philosophers', this book assesses the challenges facing the President during his first term. It evaluates his success in adhering to Niebuhr's path of 'Christian realism' when faced with the pragmatic demands of domestic and foreign affairs. In 2008 Candidate Obama used the ideas of 'Hope' and 'Change' to inspire voters and secure the presidency. Obama promised change not only regarding America's policies, but even more fundamentally in the nation's political culture. Holder and Josephson describe the foundations of President Obama's Christian faith and the extent to which it has shaped his approach to politics. Their book explores Obama's journey of faith in the context of a broadly Augustinian understanding of faith and politics, examines the tensions between Christian realism and pragmatic progressivism, explains why a Christian realist interpretation is essential to understanding Obama's presidency, and applies this model of understanding to considerations of foreign and domestic policy. By combining this theological and political analysis the book offers a special opportunity to reflect on the relationship between Christian faith and statesmanship, reflections that are missing from current popular discussions of the Obama presidency. Through consideration of Niebuhr's models of the prophet and the statesman, and the more popular alternative of the political evangelist, Holder and Josephson are better able to explain the president's successes and his failures, and to unveil the Augustinian limits of the political life.

political cartoons temperance movement: *We Are What We Drink* Sabine N. Meyer, 2015-07-15 Sabine N. Meyer eschews the generalities of other temperance histories to provide a close-grained story about the connections between alcohol consumption and identity in the upper Midwest. Meyer examines the ever-shifting ways that ethnicity, gender, class, religion, and place interacted with each other during the long temperance battle in Minnesota. Her deconstruction of Irish and German ethnic positioning with respect to temperance activism provides a rare interethnic history of the movement. At the same time, she shows how women engaged in temperance work as a way to form public identities and reforges the largely neglected, yet vital link between female temperance and suffrage activism. Relatedly, Meyer reflects on the continuities and changes between how the movement functioned to construct identity in the heartland versus the movement's more often studied roles in the East. She also gives a nuanced portrait of the culture clash between a comparatively reform-minded Minneapolis and dynamic anti-temperance forces in whiskey-soaked St. Paul--forces supported by government, community, and business institutions heavily invested in keeping the city wet.

political cartoons temperance movement: *The Myths, Legends, and Lore of Ireland* Amy Hackney Blackwell, 2010-12-18 More than 20 million Americans claim some sort of Irish heritage. But how much do you really know about this amazing country? Forget about shamrocks, leprechauns, and all that blarney--this book is a concise and authoritative guide that dispels the

myths and tells the true stories of the Irish. Highlights include: Who St. Patrick really was The story behind Sunday Bloody Sunday Scandals in the Irish church Coming to America and the real gangs of New York The spooky truth behind changelings, leprechauns, and fairies Complete with an Irish language primer and pronunciation guide, this book is an informative pot of gold for everyone who loves the Irish!

political cartoons temperance movement: *Propaganda Influence* Sebastian Farnham, AI, 2025-03-29 *Propaganda Influence* explores the pervasive impact of propaganda throughout history, examining its evolution and measurable effects on shaping public opinion and influencing political and military outcomes. The book highlights how propaganda exploits psychological vulnerabilities and manipulates narratives, demonstrating its continuous relevance in modern elections and conflicts. By understanding these techniques, readers can mitigate propaganda's power and develop critical thinking skills. This book takes a comprehensive approach, dissecting various propaganda techniques like name-calling and card stacking with historical examples. It also analyzes specific campaigns from wartime mobilization to social reforms, evaluating their effectiveness and long-term consequences. Drawing from primary and secondary sources, including government documents and statistical analyses, it connects psychology and media studies to provide a framework for recognizing and countering propaganda in contemporary society. Structured in three parts, the book first introduces core concepts and historical evolution. It then dissects propaganda techniques with examples across different periods and contexts. Finally, it analyzes case studies of propaganda campaigns, before concluding with a framework for countering propaganda in modern society, equipping readers to navigate the information age with discernment.

political cartoons temperance movement: *The Drinking Curriculum* Elizabeth Marshall, 2024-01-02 A lively exploration into America's preoccupation with childhood innocence and its corruption In *The Drinking Curriculum*, Elizabeth Marshall brings the taboo topic of alcohol and childhood into the limelight. Marshall coins the term "the drinking curriculum" to describe how a paradoxical set of cultural lessons about childhood are fueled by adult anxieties and preoccupations. By analyzing popular and widely accessible texts in visual culture—temperance tracts, cartoons, film, advertisements, and public-service announcements—Marshall demonstrates how youth are targets of mixed messages about intoxication. Those messages range from the overtly violent to the humorous, the moralistic to the profane. Offering a critical and, at times, irreverent analysis of dominant protectionist paradigms that sanctify childhood as implicitly innocent, *The Drinking Curriculum* centers the graphic narratives our culture uses to teach about alcohol, the roots of these pictorial tales in the nineteenth century, and the discursive hangover we nurse into the twenty-first.

political cartoons temperance movement: *Campaigning for President in America, 1788-2016* Scott John Hammond, Robert North Roberts, Valerie A. Sulfaro, 2016-04-25 What does it take to get elected president of the United States—leader of the free world? This book gives readers insight into the major issues and events surrounding American presidential elections across more than two centuries, from the earliest years of the Republic through the campaigns of the 21st century. The race for the presidency encapsulates the broader changes in American democratic culture. This book provides insight into the major issues and events surrounding American presidential elections across more than two centuries, from the earliest years of the Republic through the campaigns of the 21st century. Readers will be able to see and understand how presidential campaigns have evolved over time, and how and why the current state of campaigning for president came into being.

political cartoons temperance movement: *Misogyny in American Culture* Letizia Guglielmo Ph.D., 2018-10-01 This set surveys American misogyny in all its cultural forms, from popular music, film, and education to healthcare, politics, and business. The work also assesses proposals to confront and reduce such expressions of hatred. The essays contained in this two-volume set explore misogyny within various areas of American culture to demonstrate its pervasiveness and identify common foundations of its many presentations. Beyond a basic definition of misogyny, which includes hatred of women and girls and the ways in which this hatred and

distrust influences action, speech, discrimination, policy, and culture in the United States, this project also aims to expand and complicate definitions of misogyny in order to provide readers with a robust introduction to and understanding of the larger topic. Given the current political and cultural climate and the more frequent and widespread use of the term misogyny by various media outlets and voters during the 2016 presidential election, this book has the potential both to contribute to ongoing conversations on misogyny and, among its intended audience of advanced high school, beginning college students and the general public, to inform a shift currently unfolding in public conversation on the topic.

political cartoons temperance movement: Museum Architecture Suzanne MacLeod, 2013-04-12 Recent decades have witnessed an explosion of museum building around the world and the subsequent publication of multiple texts dedicated to the subject. *Museum Architecture: A new biography* focuses on the stories we tell of museum buildings in order to explore the nature of museum architecture and the problems of architectural history when applied to the museum and gallery. Starting from a discussion of the key issues in contemporary museum design, the book explores the role of architectural history in the prioritisation of specific stories of museum building and museum architects and the exclusion of other actors from the history of museum making. These omissions have contemporary relevance and impact directly on the ways in which the physical structures of museums are shaped. Theoretically, the book places a particular emphasis on the work of Pierre Bourdieu and Henri Lefebvre in order to establish an understanding of buildings as social relations; the outcome of complex human interactions and relationships. The book utilises a micro history, an in-depth case study of the 'National Gallery of the North', the Walker Art Gallery in Liverpool, to expose the myriad ways in which museum architecture is made. Coupled with this detailed exploration is an emphasis on contemporary museum design which utilises the understanding of the social realities of museum making to explore ideas for a socially sustainable museum architecture fit for the twenty-first century.

political cartoons temperance movement: Warren County Library Bulletin Warren County Library, 1889

political cartoons temperance movement: Political Ideologies and the Democratic Ideal Terence Ball, Richard Dagger, Daniel I. O'Neill, 2016-08-31 *Political Ideologies and the Democratic Ideal* analyzes and compares political ideologies to help readers understand individual ideologies, and the concept of ideology, from a political science perspective. This best-selling title promotes open-mindedness and develops critical thinking skills. It covers a wide variety of political ideologies from the traditional liberalism and conservatism to recent developments in identity politics, green politics, and radical Islamism. NEW TO THIS EDITION An expanded account of the right to vote and the U.S. Supreme Court's Citizens United decision. A new section on fusionist conservatism that attempts to ally different kinds of conservatives. A discussion of Putin's post-Soviet expansion of Russia's territory and influence, the apparent rebirth of Mao Zedong thought in China, and the ideology of Juche in North Korea. Coverage of democratic socialism in the context of Bernie Sanders' presidential campaign. Updates on fascism past and present. A more in-depth account of the origins of black liberation and a discussion of the new Black Lives Matter movement. New directions in feminist theory and the impact of the Supreme Court's decision on same-sex marriage. An account of Pope Francis's 2015 encyclical on the environment and humans' duty to protect it. An expanded discussion of radical Islamism, especially with regard to the varieties of Islamism, the rise of the Islamic State (ISIS), and the effects of recent terrorist attacks on national and international politics. Discussion questions added to the end of each chapter. Additional graphs and photos throughout. An updated, author-written Instructor's Manual and Test Bank.

political cartoons temperance movement: 101 Things You Didn't Know About Irish History Ryan Hackney, Amy Hackney Blackwell, Garland Kimmer, 2006-12-14 Discover the truth behind the myths of the Emerald Isle Forget about shamrocks, leprechans, and all that blarney; *101 Things You Didn't Know about Irish History* dispels the myths and tells the true story of the Irish. Inside, you'll learn about: Lives of the ancient Celts before the British invasions Famous Irish including Michael

Collins, Charles Parnell—and Bono! The potato famine and emigration (were there really gangs of New York?) Irish music and dance Complete with an Irish language primer and pronunciation guide, 101 Things You Didn't Know about Irish History is an informative reference for anyone who loves the Irish.

political cartoons temperance movement: The Civil War Era and Reconstruction Mary Ellen Snodgrass, 2015-03-26 The encyclopedia takes a broad, multidisciplinary approach to the history of the period. It includes general and specific entries on politics and business, labor, industry, agriculture, education and youth, law and legislative affairs, literature, music, the performing and visual arts, health and medicine, science and technology, exploration, life on the Western frontier, family life, slave life, Native American life, women, and more than a hundred influential individuals.

political cartoons temperance movement: Punched Drunk Scott Thompson, Gary Genosko, 2009 In this critical study of the Liquor Control Board of Ontario, Scott Thompson and Gary Genosko expose the stakes and consequences of the enormous bureaucracy behind the administrative surveillance of alcohol consumption in Ontario. Since its inception in 1927, the LCBO subjected alcohol consumption to its disciplinary gaze and generated knowledge about the drinking population. This book details how the LCBO tracked all alcohol consumption and capitalized on technological advances in order to generate categories and profiles of individuals so they could “control” drinking in the province. While this is a historical project, it also investigates how categorical treatment of populations like First Nations helped to develop and foster stereo-types around addiction that persist to this day.--pub. desc.
