Additional information about Adult Bible Studies, Summer 2023 Inspired by God This summer, our Bible lessons follow the theme “Inspired by God” and help us look at the careful design of Scripture and the art and poetry through which it touches our hearts and minds. They then move into a consideration of one of Scripture’s most practical categories, wisdom

literature, followed by a look at some of Scripture's heroes, who might surprise us. The writer of the student book is Betsy Haas; the teacher book writer is Stan Purdum. The Rich Literature of the Bible The lessons in this unit look at some of the different kinds of writings we find in Scripture and how God speaks to us through writings such as the Law, the prophets, visions, and the psalms. They invite us to dwell within Scripture's reality rather than a reality of our own construction. Scriptures: Deuteronomy 28:1-2, 14 | Matthew 5:17-20 | Malachi 2:1-4 | Ezekiel 37:1-10 | Ephesians 2:4-7 | Psalms 51 | Colossians 3:16-17 Spiritual Practice: Study Wisdom Living with wisdom affects how we think, speak, act/ behave, relate to God, and relate to others. What constitutes wisdom according to the Bible is not conventional wisdom about how to stay safe and healthy or how to prosper in life. Conventional wisdom tells us not to give aid or comfort to an enemy, whereas biblical wisdom teaches us the opposite. Conventional wisdom tells us to store up our grain in barns for tomorrow, whereas biblical wisdom encourages us to share what we have with those whose need is for today. Scriptures: James 1:2-8 | James 3:1-12 | James 3:13-18 | 1 Corinthians 1:10-25 | Ecclesiastes 3:1-8 Spiritual Practice: Guidance | Spiritual Direction Heroes and Anti-Heroes The men and women of the Bible who "save the day" are not the typical heroes of Western mythology. They do not have superhuman powers; they are not mighty warriors; they are not descended from the gods. They are ordinary men and women who use their status and situation to serve God's purpose or people in need. The people who tradition prefers to make into heroes of kings and warriors frequently disappoint us by using their power to serve themselves. Scriptures: Joshua 2:1-14 | Kings 11:1-13 | Mark 7:24-30 | John 13:21-30 Spiritual Practice: Forgiveness Other Adult Bible Study components, sold separately, include: Student Book Each week's Student Book lesson lists background Scripture, features key verses, provides reliable and relevant biblical explanation and application, and more in a readable font size that is accessible to everyone. Included to help students go deeper into the lessons are : A comprehensive Bible study plan with more flexibility in terms of Scripture selection and topics Observation of the church seasons, including Advent and Lent Suggestions for developing spiritual practices (prayer, confession, worship, mindfulness, solitude, community, hospitality, neighboring, service, and celebration) No printed Scripture text allows you to choose your own Bible translation DVD/Video Does your group enjoy watching videos as a way to generate conversation around Bible studies? teacher walk up songs 2023: LET'S GO LET'S GO LET'S GO Cleo Qian, 2023-08-15 Longlisted for the Carnegie Medal for Excellence Finalist for the 2023 Housatonic Book Award for Fiction A TIME Best Book of 2023 “Qian has a gift for sensory details, and for the speculative and grotesque. . . a pleasure to read.”—Raven Leilani, author of *Luster* The electric, unsettling, and often surreal stories in *LET'S GO LET'S GO LET'S GO* explore the alienated, technology-mediated lives of restless Asian and Asian American women today. A woman escapes into dating simulations to forget her best friend's abandonment; a teenager begins to see menacing omens on others' bodies after her double eyelid surgery; reunited schoolmates are drawn into the Japanese mountains to participate in an uncanny social experiment; a supernatural karaoke machine becomes a K-pop star's channel for redemption. In every story, characters refuse dutiful, docile stereotypes. They are ready to explode, to question conventions. Their compulsions tangle with unrequited longing and queer desire in their search for something ineffable across cities, countries, and virtual worlds. With precision and provocation, Cleo Qian's immersive debut jolts us into the reality of lives fragmented by screens, relentless consumer culture, and the flattening pressures of modern society—and asks how we might hold on to tenderness against the impulses within us.

teacher walk up songs 2023: We're Gonna Keep On Talking Matthew Kay, Jennifer Orr, 2023-10-10 What should conversations about race look and sound like in the elementary classroom? How do we respond authentically and truthfully to children's questions about the world? And how can we build classroom communities that encourage these meaningful conversations about race? Matthew Kay and Jennifer Orr take on these questions and more in *We're Gonna Keep On Talking: How to Lead Meaningful Race Conversations in the Elementary Classroom*. A companion work to Kay's *Not Light, But Fire*, this book focuses on the unique and powerful role discussions about race can play in the elementary classroom. Drawing its title inspiration from the lyrics of the freedom song *Ain't Gonna Let Nobody Turn Me Around*, sung by hundreds of children marching against segregation in what came to be known as the Children's Crusade of 1963, *We're Gonna Keep On Talking* is written for teachers who are willing to match children's courage and brilliance, and who believe that a foundation in meaningful race discourse will help [children] to seek justice for themselves and their neighbors, to be kinder, [and] more thoughtful. Writing with the humility and honest storytelling of two career classroom teachers, Matthew Kay and Jennifer Orr share: Strategies for building safe and supportive classroom and school spaces for productive discourse Dozens of practical teacher moves for facilitating race conversations Classroom stories that allow readers to envision ways into the work through picture books, art, graphs, historical photographs, and current events Tips for aligning the work of race conversations to your grade-level standards Whether you are unsure of where to begin or looking to deepen your practice, *We're Gonna Keep On Talking* will be your guide to the important work of race conversations in the elementary classroom.
